

Law Suits Ninth Annual Statewide Clothing Drive – September 2010

The State Bar Litigation Section *Law Suits* Program, in association with the Men's Wearhouse National Suit Drive, presents the Ninth Annual *Law Suits* Statewide Clothing Drive. During the month of September, drop off gently used business suits (men's and women's) and accessories in good condition (shirts, ties, belts and shoes) at any Men's Wearhouse location in California. All items will be donated to Working Wardrobes for a New Start, Wardrobe for Opportunity, Dress for Success and other non-profit organizations dedicated to helping adults in crisis get back to work.

You will receive a receipt for your donation and a 25% discount on your next regularly priced Men's Wearhouse purchase.

Partner Norman J. Rodich founded the *Law Suits* Program in 1996. The first *Law Suits* clothing drive was held in Orange County. The program has since grown into a statewide annual event. According to Mr. Rodich, the *Law Suits* Program is a unique partnership between the State Bar, the Men's Wearhouse and non-profit organizations dedicated to helping people get back to work. Now more than ever, suits and accessories are urgently needed.
