Phone: 949.851.7244

Fax: 949.825.5408

Mr. Greene is a Founding Partner/Of Counsel of Palmieri Tyler and a member of the firm's Management Committee.

He has specialized in real estate law for more than 40 years representing builders, developers, landowners and investors in the acquisition and development of commercial, industrial and residential projects as well as master planned communities, infill projects, mobile home parks and multifamily complexes. He is responsible for all aspects of a transaction, including acquisitions, sales, commercial leases, ground leases, financing and 1031 tax deferred exchanges. In addition, he has been involved in preparing project documents and working with state agencies in order to secure project approvals.

Mr. Greene often deals with the formation of real estate development entities and

has handled complex foreclosure-related issues affecting real estate enterprises.
